Skiing

The park is home to three world-class ski resorts: Banff Mount Norquay, Sunshine Village, and Lake Louise Ski Resort. With over 8,000 acres of skiable terrain, there's something for every level of skier. You could also snowboard, snowshoe, ice skating, and even take a horse-drawn sleigh ride through the winter landscape.

Hiking

The park offers a wide variety of trails, from easy walks to challenging hikes that take you to the top of some of the tallest peaks in the Canadian Rockies. The most popular are Johnston Canyon, Lake Agnes, and the Plain of Six Glaciers. You could take the scenic drive along the Ice fields Parkway, one of the most beautiful drives in the world.

Wildlife Viewing

Banff National Park is a haven for wildlife, with a diverse range of animals living within its boundaries. From grizzly bears to bighorn sheep, there's a good chance you'll see some of these magnificent creatures during your visit to Banff.

Hot Springs

The Banff Upper Hot Springs is a popular attraction in Banff National Park and is considered one of the top hot springs in Canada. The hot springs are located just outside the town of Banff and offer visitors a chance to relax and unwind in the midst of the stunning Rocky Mountains.
